### **G.A. & F.C. Wagman, Inc. Opens Office in North Carolina to Service Southern Region**

(York, PA) G.A. & F.C. Wagman, Inc. opened a new office in Dunn, NC. G.A. & F.C. Wagman, Inc. is a heavy civil contractor specializing in transportation infrastructure and has had an increasing amount of work in the Southern Region, particularly North Carolina and Louisiana.

As Rich Wagman, Chairman & CEO stated, "After exploring option for a Southern office, we took advantage of an opportunity to open an office and relocate key Wagman professionals and establish more formal presence in the South."

The office is located at 100 Emmet Road in Dunn, NC. The office has 5 acres of land which is ideal to store construction equipment for the Southern region projects.

Rich Wagman adds, "Wagman has been actively working in the South, particularly providing Latex Modified Concrete and more recently pursuing bridge repair and larger infrastructure projects. We are excited to be able to service our clients and joint venture partners better and pursue more work in the Southern Region with this new office."

G.A. & F.C. Wagman, Inc. was founded in 1902 and continues on today as a fourth generation, family-owned general contracting business headquartered in York, PA. G.A. & F.C. Wagman, Inc. is a heavy civil contractor specializing in transportation infrastructure and has grown to become a nationally recognized leader within the industry. Wagman's core competencies include: design-build, bridges, marine construction, structures, highways, excavation, drainage, modified concrete and geotechnical construction services.
