Ribbon Cutting Ceremony Celebrates HHHunt's Spring Arbor of Crofton

(York, Pa.) Wagman Construction representatives joined HHHunt, local dignitaries, stakeholders, and members of the community for ribbon cutting ceremony celebrating the grand opening of Spring Arbor of Crofton on October 22, 2019.

Coined the Crofton Cabernet, ceremony guests enjoyed an elegant evening with champagne, live music, and an ice sculpture to welcome them as they entered the grand foyer.

Wagman Construction served as the general contractor on the project. Designed by Moseley Architects, a Virginia-based firm, the 87,919 square-foot senior living community offers assisted living and memory care services and was designed to house up to 95 residents. The walking-friendly campus features many amenities including a barber and beauty shop, cafeteria, fitness center and an outdoor courtyard with water features. Site work began in May 2017, followed by construction which was completed in May 2019.

"We are elated to have partnered with HHHunt as they expanded their footprint in Maryland," said Mark Morrow, vice president and general manager at Wagman Construction.

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is a fourth generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, Pa. As a full-service general contractor, Wagman Construction facilitates growth and development in senior living, healthcare, higher education, urban, institutional and industrial markets in central Pennsylvania, Virginia & Maryland.
