Wagman Receives Diamond Level STEP Award from ABC Keystone

(York, Pa.) Wagman Construction, Inc. is proud to announce that it has received a Diamond level STEP Award, the highest level of the STEP awards, from the Keystone Chapter of Associate Builders and Contractors (ABC). Wagman was presented with the award during the ABC Keystone Safety Awards virtual event on September 15, 2020 and was the sole recipient of the award at the Diamond level.

STEP, or Safety Training & Evaluation Process, is a program that was founded in 1989 as a safety benchmarking and improvement tool but has quickly evolved into a world-class safety management system that dramatically improves safety performance amongst its participants, regardless of company size or type of work.

“Safety is part of our everyday culture and a core value,” said Cory Gaye, corporate safety director at Wagman. “We are beyond thrilled to be recognized with this award.”

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is a fourth generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, Pa. As a full-service general contractor, Wagman Construction facilitates growth and development in senior living, healthcare, higher education, urban, institutional and industrial markets in central Pennsylvania, Virginia & Maryland.
