Wagman Construction is Awarded Merit Awards for Three Projects

(York, Pa.) Wagman Construction is a proud ABC Keystone member and is once again honored to have three projects recognized at this year's Excellence in Construction Awards. The Excellence in Construction Awards are given to local member contractor firms based on the outstanding work they performed on projects by local member contractor firms. During the Excellence in Construction Awards Gala on November 10, 2022, Wagman received Awards of Merit for the following projects: Asbury Bethany Village East Café and Bistro renovation in Mechanicsburg, PA in the commercial category valued at \$2 to 10 million, Keystone Kidspace in York, PA in the renovation category valued at \$1 to \$5 million, and Geisinger Sunbury Primary Care in Sunbury, PA in the healthcare category valued at under \$2 million.

Wagman's renovation of [Asbury Bethany Village East Café and Bistro](#) features a cafe, kitchen, lounge, and bar that residents can use to socialize and enjoy meals and drinks. The renovation offers modern wood finishes and decorative art, a bamboo floor, custom casework, and banquettes, and an artificial green wall over the bar area provides an authentic pop of color. [Keystone Kidspace](#), previously the York Armory, was transformed by Wagman to create flexible open spaces, classrooms, offices, a kitchen, and activity spaces for educational experiences. Programming includes STEAM activities and free play for kids six and up, as well as creative classes and workshops. The Sunbury Primary Care project for [Geisinger System Services](#) consisted of demolition and renovations to provide updated lab space, 20 exam rooms, add a new x-ray facility, and medical and treatment rooms within an aggressive, five-month schedule.

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is celebrating its 120th anniversary this year. Wagman is a fourth-generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, Pa. As a full-service general contractor, Wagman Construction facilitates growth and development in senior living, healthcare, higher education, urban, institutional, and industrial markets in central Pennsylvania, Virginia & Maryland.
