Wagman Heavy Civil Receives Contractor Safety Award from VTCA

(Dinwiddie, VA) Wagman Heavy Civil, Inc. was recognized with a 2022 Contractor Safety Award – Special Recognition, from the Virginia Transportation Construction Alliance (VTCA). Greg Andricos, President and COO of Wagman Heavy Civil, accepted the award during the VTCA Annual Meeting on July 13 at the Lansdowne Resort in Leesburg, VA.

Wagman received the award in the 150,001 – 300,000 Manhours category. VTCA recognizes contractor members who demonstrate their commitment to a safe and healthy work environment. To qualify for an award, applicants submit a Safety Philosophy Profile, a Safety Operating Profile and documented EMR numbers. This is the fifth year in a row Wagman has been recognized for Safety by VTCA.

Greg comments, “We are proud to have been recognized by VTCA again for our commitment to safety, which is a core value at Wagman. I am grateful for our team members’ focus on protecting each other and the traveling public as they put critical work in place each and every day.”

For more information about VTCA, visit their website at <https://www.vtca.org/>.

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is a fourth generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, PA. As a heavy civil contractor, Wagman is a nationally recognized leader within the industry. Wagman’s core competencies include: design-build, infrastructure, marine construction, modified concrete, grooving and grinding, and geotechnical construction services.
