### **Wagman Construction is Awarded an Excellence and Merit Award at ABC Keystone's Excellence in Construction Awards Gala**

(York, Pa.) Wagman Construction is a proud ABC Keystone member and is once again honored to have two projects recognized at this year's Excellence in Construction Awards. The Excellence in Construction Awards are given to local member contractor firms based on the outstanding work they performed on projects by local member contractor firms. During the Excellence in Construction Awards Gala on November 9, 2023, Wagman received an Excellence Award for the David H. Martin Excavating – Office Expansion and Renovation in the Commercial \$2 to \$10 Million category, and a Merit Award for the DreamWrights Phase II project in York, PA in the Renovation under \$1 Million category. The David H. Martin Excavating office expansion and renovation project was a Project of the Year Finalist.

The [David H. Martin Excavating Office Expansion and Renovation](#) project exceeded the client's expectations, despite project challenges, which included material lead time issues due to the COVID-19 pandemic. This project features unique industrial finishes, including exposed ceilings and structural steel, interior brick veneer, wood accent walls, and an open-air, two-level atrium in the center of the building. The [historic renovation of DreamWrights Center for Community Arts](#) included various challenges throughout the course of this project, including unforeseen structural conditions, which required the use of innovative construction methodologies. Despite these challenges, Wagman was able to deliver a high-quality project to DreamWrights.

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is celebrating its 120th anniversary this year. Wagman is a fourth-generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, Pa. As a full-service general contractor, Wagman Construction facilitates growth and development in senior living, healthcare, higher education, urban, institutional, and industrial markets in central Pennsylvania, Virginia & Maryland.
