Wagman Ranks Among ENR Top 400

(York, PA) Wagman, Inc. was again listed among Engineering News-Record (ENR) Top 400 Contractors for 2024. Wagman ranked #381 in the nation, jumping 14 spots compared to last year's ranking.

Companies were ranked by their construction revenue in 2023 in the millions. To compile the list, companies submit their revenue based on market sectors (IE – government, transportation, healthcare, etc.).

ENR is a national publication that provides construction and engineering news, analysis, and data for industry professionals worldwide. The Top 400 Contractors list is a nationwide annual ranking, based on company revenue from the previous calendar year.

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is a fourth generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, PA. As a heavy civil contractor, Wagman is a nationally recognized leader within the industry. Wagman's core competencies include: design-build, infrastructure, marine construction, modified concrete, grooving and grinding, and geotechnical construction services.
