Wagman Heavy Civil Opens New Ramp at Symphony Woods

(York, PA) Wagman Heavy Civil, Inc. joined local officials and project partners on Tuesday, December 17 for a ribbon cutting ceremony celebrating the newly opened ramp on the multi-phase [Symphony Woods project](#), located in Columbia, MD.

The estimated \$20M project, is an MDOT SHA Access Permits project, in partnership with a private owner and Howard County, MD. The project enhances the safety and access on/off MD 29 and Broken Land Parkway, to the recently developed Downtown Columbia, including the Merriweather Post Pavilion and the Columbia Mall. The ultimate project scope includes the construction of a new MD 29 off ramp spur, including a large retaining wall adjacent to the off ramp, three additional retaining walls along the new MD 29 ramp spur and a single span bridge.

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is a fourth generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, PA. As a heavy civil contractor, Wagman is a nationally recognized leader within the industry. Wagman's core competencies include: design-build, infrastructure, marine construction, modified concrete, grooving and grinding, and geotechnical construction services.
