### **Mike Glezer, CEO of Wagman, Inc., Appointed Chair of the York County Community Foundation**

(York, PA) Wagman is proud to announce that Mike Glezer, CEO of Wagman, Inc., was appointed Chair of the Board of Directors for the York County Community Foundation (YCCF) at the annual meeting on May 7.

In this role, Glezer will help guide the Foundation's strategic direction and support its mission to strengthen communities across the county through philanthropy, leadership and collaboration. This appointment reflects a long-standing commitment to community engagement and service that spans both professional and personal leadership.

The York County Community Foundation works to create a vibrant York County by engaging donors, providing community leadership, and investing in high-impact initiatives. The Foundation stewards more than 700 endowed funds and partners with donors and nonprofits to help them achieve their charitable goals.

Glezer has been involved with the organization since 2010. In addition to this role, he has a long history of community and industry involvement. He has remained actively involved in community and industry leadership throughout his career, serving in various board and leadership roles that support charitable initiatives, workforce development, and the advancement of the construction and transportation industries. He has also been recognized for his professional leadership, receiving Central Penn Business Journal's (CPBJ) Top 300, Power 100 List, and Forty Under 40 distinctions.

"Community has been a core value at Wagman for 124 years and I'm honored to support an organization that plays such a vital role in strengthening York County," Glezer said. "I'm looking forward to working alongside the Board and staff to further advance the Foundation's mission and impact."

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is a fourth generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, PA.
