### **Wagman Ranks Among ENR Top 400**

(York, PA) Wagman, Inc. has once again been recognized among Engineering News-Record (ENR) Top 400 Contractors for 2026, ranking No. 345 in the nation – jumping four spots from the previous year.

The ENR Top 400 list is compiled annually. Companies submit their revenue based on market sectors (IE – government, transportation, healthcare, etc.) and were ranked by their construction revenue in 2025 in the millions.

ENR is a leading national publication that provides news, analysis, and data for the construction and engineering industry worldwide. Its Top 400 Contractors list is widely regarded as a benchmark of industry performance and scale.

Wagman is a multi-faceted construction firm with major operations in heavy civil, general construction, and geotechnical construction services. Founded in 1902, Wagman is a fourth generation, family-owned company with offices in Pennsylvania and Virginia and is headquartered in York, PA. As a heavy civil contractor, Wagman is a nationally recognized leader within the industry. Wagman’s core competencies include: design-build, infrastructure, marine construction, modified concrete, grooving and grinding, and geotechnical construction services.
